

The AAHIA recommends you use free Nito PDF Reader <https://www.gonitro.com/pdf-reader> to fill out our forms. It has better compatibility and easier to use. For legibility, we ask that you use the type inline feature in this form rather than handprint or write when filling out our forms.

You can either email the application and documents needed (front and back of sire and dams registration papers) or mail them in. If you choose to email, for clarity and use, the documents ***must be scanned on a flatbed scanner and saved in pdf format.*** No camera photos or camera scans will be accepted.

To keep our cost down DNA hair kits and correspondence will be by email. An email mail address must be provided. Also, so our emails do not end up in the spam folder make sure our email address is in your email address book. [office@americanazteca.com](mailto:office@americanazteca.com)

## Instructions

This form is for horses who are already registered with another recognized Andalusian registry. The registries include the AFHA, IALHA, ANCCE & APSL.

### Documents Needed:

A front and back copy of the certificate must be included with this EZ Application.

### Section 1)

This section is for the horse you would like to register with us. The name must remain the same. Please fill in all sections.

We also need information on the AQHA/APHA parent. If they are DNA'd the case number must be provided. If they are not DNA'd they will need to be. We parent verify to both parents. Please see fee schedule.

### Section 2)

This section is for the owner(s) of the horse listed as owner one the certificate. All persons listed as owner must sign this section.

If the horse has been sold and the new owner would like to transfer it into there name, it can be done at this time as long as there is a signed Bill of Sale including the date of the sale, or transfer section on the back of the IALHA certificate is completed. This must be signed by all parties listed on the front as owners.

### Section 3)

**Drawn & color** in the markings on ALL diagrams in this section. Make sure they match what is on the horses current certificate. This diagram will be scanned and placed on the new certificate. Makes sure it is printed out clear and crisp. No words are to be written in this section.

**\*\*** We do not change any information from the originally submitted certificate by an approved registry. If a correction is needed to be made, such as but not limited to color, DOB, sex. Please make those updates are done with the originating registry before submitting this form.

Check the website for current fee schedule.
