

Submitting documents by email

If you want to submit an application and documents (front and back of the sire and dams registration certificate) by email, please scan them all on a flatbed scanner and save them in PDF format. We do not accept camera photos, camera scans, or any other saved formats.

****Please inform all who are submitting documents – Dam and stallion owner of these requirements.**

If you do not have a flatbed scanner at home, some suggestions are to check with a local office supply company, friends, or family.

If you are unable to do this, please copy all documents (front and back of the sire and dams registration certificate) and the application on a copy machine and mail them to the office. We do not accept camera photos that have been printed out on a copy machine or printer.

We need very clear, legible, and straight documents and the application as well.

Our mailing address is:

American Azteca Horse Intl Assoc.
PO Box 460
Sturgis, SD 55079
USA

As a side note, make sure the markings/diagram of the horse you are registering has the white only markings drawn and **colored** in, see page 2, section 6).

If you have any questions, please let us know.

Thank you,

office@americanazteca.com
